## INDEPENDENT AUDITORS' REPORT

To the Finance Council  
Saint Rita Catholic Community  
Dallas, Texas

We have audited the accompanying combined financial statements of Saint Rita Catholic Community (the "Church"), which comprise the combined statements of financial position as of June 30, 2018 and 2017, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Church's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Church's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of Saint Rita Catholic Community as of June 30, 2018 and 2017, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplemental information on pages 14 - 17 is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

**SAINT RITA CATHOLIC COMMUNITY**  
Notes to Combined Financial Statements

## 1 - Historical Background

Saint Rita Catholic Community (the “Church”) was established by the Catholic Diocese of Dallas (the “Diocese”) in 1961 for the purpose of providing ministry services to Catholics and others in Dallas, Texas, and the surrounding area.

Saint Rita Catholic School (the “School”) is a coeducational parochial school of the Parish providing education to students in kindergarten through eighth grade.

Saint Rita School Endowment (the “Endowment”) is comprised of a trust fund that was established in 1997 to receive and maintain funds to assist, promote, and further the education of the students of the School.

Saint Rita Catholic Parish (the “Parish”) refers to ministries and activities of the Church that are not included above.

The combined financial statements of the Church include the accounts of the Parish, School, and Endowment. All significant inter-organizational transactions and balances have been eliminated.

## 2 - Significant Accounting Policies

Basis of Accounting - The combined financial statements of the Church have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned, and expenses are recorded when the obligation is incurred. The combined financial statements of the Church have been prepared using accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Basis of Presentation - As required by the Not-for-Profit Entities Classification of Net Assets topic of the Financial Accounting Standards Board *Accounting Standards Codification* (“FASB ASC”), the Church reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Revenue Recognition - Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the combined statement of activities as net assets released from restrictions.

Tuition is recognized as revenue in the period in which it is earned. Book, supply, and technology fees are also recognized as revenue in the period in which they are earned. Tuition and book, supply, and technology fees received in advance for the upcoming school year are included in deferred revenue. Registration fees are recognized as revenue in the period in which they are received.

Income Taxes - The Internal Revenue Service issued a determination letter dated March 25, 1946, stating that all Catholic Church entities listed in the *Official Catholic Directory* are exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). Each year since then, the IRS has issued a communication stating that the determination letter is still in effect. Saint Rita Catholic Community, as part of the Catholic Diocese of Dallas, is exempt under this ruling, as other than a private foundation.

The Church follows the Income Taxes topic of the FASB ASC, which prescribes a comprehensive model for the financial statement recognition, measurement, presentation and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. The Church is not aware of any activities that would jeopardize its tax-exempt status and is not aware of any activities that are subject to tax on unrelated business income. As of June 30, 2018, the Church has no uncertain tax positions that qualify for either recognition or disclosure in the combined financial statements and does not expect this to change in the next twelve months.

**SAINT RITA CATHOLIC COMMUNITY**  
Notes to Combined Financial Statements

**2 - Significant Accounting Policies (continued)**

Programs - The Church pursues its objectives through the execution of the following major programs:

Parish administration and programs - All activities of the Parish not separately identified below.

School administration and programs - All activities of the School not separately identified below.

Instructional and student activities - Coeducational parochial education and activities provided to students in kindergarten through eighth grade.

Ministries - Various ministry areas of the Parish, including outreach, social, and health ministries.

Worship and liturgical - Prayer and worship services.

Faith formation - Religious education and spiritual development programs.

Athletics - Various athletic programs of the School, including football, volleyball, basketball, baseball, softball, and cheerleading.

Student organizations - Various support organizations of the School, including Booster Club.

Use of Estimates - Management used estimates and assumptions in preparing these combined financial statements in accordance with U.S. GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Revenues and Support - Revenues and support for the Church are primarily derived from contributions from the Parish membership and from tuition and fees charged by the School.

Donated Services - No amounts have been reflected in the combined financial statements for donated services. The Church pays for most services requiring specific expertise. A large number of people have contributed significant amounts of time to the activities of the Church without compensation. The combined financial statements do not reflect the value of those contributed services.

Donated Assets - Donated marketable equity securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

Compensated Absences - Employees of the Church, administrative and ministerial, are entitled to paid vacation depending upon length of service and other factors. The Church cannot reasonably estimate the amount of compensation for future absences; accordingly, no liability has been recorded in the accompanying combined financial statements. The Church's policy is to recognize the cost of compensated absences when paid to employees.

Cash Equivalents - The Church considers all short-term investments with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents held for long-term purposes are excluded from this definition.

**SAINT RITA CATHOLIC COMMUNITY**  
Notes to Combined Financial Statements

**2 - Significant Accounting Policies (continued)**

Physical Properties - Property and equipment are recorded at cost, if purchased, and fair market value at date of donation, if contributed. Maintenance, repairs and minor renewals that do not significantly improve or extend the lives of the representative assets are expensed when incurred. Additions, improvements and major renewals are capitalized.

Depreciation expense for the years ended June 30, 2018 and 2017 totaled \$1,476,755 and \$1,344,668, respectively. Depreciation is calculated using the straight line method over the estimated useful lives of the respective assets as follows:

Buildings and improvements	5 to 40 years
Furniture, fixtures and equipment	3 to 40 years

Investments - As required by the Not-for-Profit Entities Investments of Debt and Equity Securities topic of the FASB ASC, investments in marketable equity securities with readily determinable fair values and all investments in debt securities are carried at their fair values in the combined statements of financial position. Realized and unrealized gains and losses are included in the change in net assets.

Funds Held for Others - Funds held for others consist of amounts held for other entities to whose benefit the contributions were made. These contributions are not recorded as revenue or expenses of the Church, as the Church is not the ultimate beneficiary.

Deferred Revenues - Deferred revenues consist primarily of tuition and fees related to the upcoming school year.

Endowment Fund - The Saint Rita School Endowment is comprised of a trust fund that is maintained for the purpose of receiving and maintaining funds to assist, promote, and further the education of the students of the School. The trust fund is administered by, and under the sole control of, a Board of Trustees (the "Trustees") and not administered by, or under the control of, the Parish or the School. The following description provides general information about the administration of the Endowment; the actual trust agreement provides a complete description of the Endowment's provisions.

*Return objectives and risk parameters* - The Trustees have adopted investment and spending policies that attempt to provide a predictable stream of funding to the School while seeking to maintain the purchasing power of the Endowment's assets. Under this policy, the Endowment's assets are invested in a manner that is intended to produce results that meet the return objectives while assuming a low level of investment risk.

*Strategies employed for achieving objectives* - To satisfy its long-term rate-of-return objectives, the Trustees rely on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Trustees target a diversified asset allocation that places emphasis on equity-based and fixed income investments to achieve its long-term return objectives within prudent risk constraints. Investment allocation for the Fund is reviewed by the Trustees on a periodic basis.

*Spending policy* - When the trust fund has a current fair market value of \$1,000,000, the Trustees shall annually distribute 5% of the average of the fair market value of the trust fund for the three previous years. Such distributions may include both earnings and contributions, if the total remains over \$1,000,000. If the fair market value of the trust fund falls below \$1,000,000 at the end of six consecutive calendar quarters, then the Trustees shall thereafter accumulate all contributions, income, and gains of the trust fund until it has a current market value of \$1,000,000.

**SAINT RITA CATHOLIC COMMUNITY**  
Notes to Combined Financial Statements

**2 - Significant Accounting Policies (continued)**

Concentrations of Credit Risk - At times, the Church maintains cash balances with financial institutions in excess of federally insured limits. It is the opinion of management that the solvency of these financial institutions is sufficient to cover any exposure.

Subsequent Events - Subsequent events have been evaluated through August 28, 2018, which is the date the combined financial statements were available to be issued.

**3 - Physical Properties**

Physical properties as of June 30, 2018 and 2017 are comprised of the following:

	2018	2017
Buildings	\$ 23,620,251	\$ 20,327,663
Building improvements	14,697,515	14,081,756

	41,790,043	40,739,640
Less: accumulated depreciation	(16,915,226)	(15,438,470)
Net physical properties	\$ 24,874,817	\$ 25,301,170

**4 - Investments**

Investments as of June 30, 2018 and 2017 are comprised of the following:

	2018	2017
Certificates of deposit	\$ 1,501,249	\$ 1,491,477
Cash	25,555	118,999
Equity securities	1,525,019	1,449,675
Fixed income securities	1,024,036	931,948
Total	\$ 4,075,859	\$ 3,992,099

Components of investment income for the years ended June 30, 2018 and 2017 are comprised of the following:

	2018	2017
Interest and dividends	\$ 77,659	\$ 73,674
Net realized and unrealized gains (losses)	96,051	192,107
Total	\$ 173,710	\$ 265,781

The Church follows the Fair Value Measurements topic of the FASB ASC for all financial assets and liabilities measured at fair value on a recurring basis. The topic establishes a framework for measuring fair value and enhances disclosure requirements for fair value measurements. The Fair Value Measurements topic of the FASB ASC defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**SAINT RITA CATHOLIC COMMUNITY**  
Notes to Combined Financial Statements

**4 - Investments (continued)**

The topic establishes market or observable inputs as the preferred sources of values, followed by assumptions based on hypothetical transactions in the absence of market inputs. The topic establishes a hierarchy for grouping these assets and liabilities based on the significance level of the following inputs:

Level I – Quoted prices in active markets for identical assets or liabilities.

Level II – Quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations whose inputs are observable or whose significant drivers are observable.

Level III – Significant inputs to the valuation model are unobservable.

The cash, equity securities, and fixed income securities are held in active markets and are classified within the hierarchy as Level I assets. The certificates of deposit are directly held obligations of the respective financial institutions and are classified within the hierarchy as Level II assets.

**5 - Operating Leases**

The Church has entered into non-cancelable operating leases for office equipment. Total rent expense for the years ended June 30, 2018 and 2017 totaled \$43,176 and \$38,727, respectively. The following is a schedule of future minimum rentals under the leases at June 30, 2018:

<u>Year Ending June 30,</u>		
2019	\$	18,931
2020		12,493
2021		9,697
2022		4,105
2023		3,079

**6 - Note Payable**

In April 2015, the Church obtained a note payable with available credit in the amount of \$7,000,000 to finance the construction of new Church facilities. The note provided for monthly payments of interest only until the conversion date of September 15, 2017, with interest at 2.75%. Thereafter, monthly payments of principal and interest are due in an amount sufficient to fully amortize the outstanding balance of the note over fifteen years. In April 2022, interest becomes 4.9% and monthly payments of principal and interest will be due in an amount sufficient to fully amortize the outstanding balance of the note over ten years. All unpaid principal and interest will be due at maturity in September 2032. The note is secured by Church property. At June 30, 2018 and 2017, the note had an outstanding balance of \$6,264,405 and \$5,150,000, respectively.

As of June 30, 2018, future maturities were scheduled as follows:

<u>Year Ending June 30,</u>		
2019	\$	361,589
2020		371,659
2021		382,009
2022		392,648
2023		375,674

**7 - Commitments**

The Church pays a quarterly assessment to the Catholic Diocese of Dallas (the “Diocese”), which is calculated as a percentage of contributions, less certain deductions. Assessments were \$436,470 and \$432,249 for the years ended June 30, 2018 and 2017, respectively.

At June 30, 2018, the Church was party to a construction contract with a general contractor in the amount of \$58,274 for the construction of new facilities. As of June 30, 2018, construction was in process but no amounts had been billed or capitalized related to this contract.

At June 30, 2018, the Church was party to a construction contract with a general contractor in the amount of \$30,000 for the installation of a sound system. As of June 30, 2018, construction was in process and \$19,895 had been billed and capitalized related to this contract. The remaining \$10,105 will be billed as construction progresses.

**8 - Retirement Plan**

The Church participates in the Diocese’s 403(b) Retirement Plan for Lay Employees. After one year of employment, eligible employees receive an employer contribution of 3% of annual salary and an employer matching contribution of up to an additional 4% of annual pay. Aggregate employer contributions during the years ended June 30, 2018 and 2017 were \$296,992 and \$261,472, respectively.

**9 - Board Designated Net Assets**

The leadership of the Church has set aside certain unrestricted funds for specific purposes. These funds have not been restricted by the original donors; they are considered board designated.

Board designated net assets as of June 30, 2018 and 2017 are comprised of the following:

	2018	2017
Parish Nurse Fund	\$ 25,574	\$ 25,574
Parents' Club General Fund	346,910	346,338
Booster Club Fund	31,296	71,645
Walkoviak Fine Arts Fund	6,183	6,183
Other	7,600	-
	\$ 417,563	\$ 449,740

**10 - Temporarily Restricted Net Assets**

The balances of temporarily restricted net assets as of June 30, 2018 and 2017 relate to certain contributions for which the donors have imposed restrictions. These restrictions require the Church to use such funds for expenses directly related to the Church activities that correspond to the donors’ wishes. During the years ended June 30, 2018 and 2017, temporarily restricted net assets in the amount of \$823,102 and \$1,497,082, respectively, had been expended in accordance with donor restrictions and have been reclassified to unrestricted net assets.

**SAINT RITA CATHOLIC COMMUNITY**
